SIR,

I have the honor to forward herewith for reference and return correspondence ending with letter No.C.911-33 dated 12th September 1933 from the Deputy Commissioner, Kadur District, in the matter of the inam lands originally belonging to the Sri Vigneswara Swamy temple at Sadagur in the Belur Taluk.

2. The Deputy Commissioner's letter dated 21st December 1932 and the Survey Superintendent's letter dated 4th February 1933 explain the previous facts of the case in sufficient detail. It is not possible to make out at this distance of time the circumstances under which the lands were treated as Sircari and whether such treatment was without prejudice to the enjoyment of the lands by the temple as Kandayam ones. As the present enjoyers of S.Nos.143 and 144 (Re-Survey Nos.169 and 15) are not willing to make over the lands to the temple, there seems to be no provision of law to take action against them. As the present owner of S.No.205 (Re-Survey No.203) is willing to surrender possession of the land to the temple and as S.No.56 which is still shown as inam (Re-Survey No.202) is lying fallow, I recommend that the order passed by the Deputy Commissioner on 17th October 1930 to continue the lands as inam to the temple may be confirmed. The services in the temple are reported to have been satisfactorily rendered.

a copy of the file of five macular papers is enclosed.

I have the honor to be

Sir,

Your most obedient servant
